Technical Specifications

Fluting WB

Item Name	Fluting WB	Item Code	FL
Item Description	Rolls of fluting paper of various basis weights and widths.		
End Use	Manufacturing printed and unprinted corrugated board sheets and boxes.		

CMT (KGF)	S.C.T (KN/m)	CCT (gm/m ²)	RCT (CD) (KGF)	Moisture (%)	Burst (KPA)	Weight (GSM)
11	1.8	18	8	7	210	90
15	1.9	20	10	7	230	100
17	2.0	22	13	7	260	112
19	2.2	26	16	7	290	125
21	2.3	30	18	7	310	140
22	2.6	32	20	7	320	150
25	3.0	36	26	7	350	175

Tolerance: $\pm 5\%$; Moisture 6–8% (minima unless noted).

Storage & Handling

- Store at a temperature of 5–50°C.
- Maintain relative humidity between 35–70%.
- Store on wooden pallets (not directly on the floor).
- Handle using forklifts.

Packaging

Jumbo rolls with various widths.

Identification & Traceability

- Identification via a paper ID card.
- Traceability according to batch number.

Shelf Life

As per the supplier's Certificate of Analysis.

Acceptance & Rejection Criteria

According to the technical specifications and laboratory tests.
